TODAY'S ODDDEST STORY

Winnipeg, Man., April 22.—Residents here shoved their clocks ahead an hour and got to work an hour earlier today and will quit an hour earlier tonight. This is the day Winnipeg went on New York time, in a campaign to get more day light. Germany will do the same thing May 1.

HOW I BECAME CONNECTED WITH THE SHERIFF'S OFFICE

I was graduated from the Capital Business college in March, 1908, and in May, same year, was asked by the

county court of Marion county to take charge of a gang of convicts doing road work at Sublimity, as I had had experience in that work, I accepted.

When the late Harry P. Minto took charge of the sheriff's office, he, of course, had numerous applications for the position of second deputy, but wanting to pick his own man, Mr. Minto went to W. I. Staley, principal of the Capital Business college, and asked him if he knew of a man that could fill the bill and was told that he did. The next time I came to Salem, I was told that Mr. Minto wanted to see me, was offered the position and accepted it.

When William Esch was elected sheriff I was promoted to chief deputy by him which position I still hold. My reason for my practical knowledge of the work connected with the sheriff's office I feel that I am qualified for the place, and that is the reason that I am in the race, because I am confident that I can handle the office in a manner satisfactory to the people of Marion county, otherwise I would not be asking for your support and vote on May 19, 1916.

W. I. NEEDHAM, Candidate for Sheriff.

FISHERMEN'S STRIKE AVERTED

Astoria, Ore., April 22.—A threatened strike of fishermen on the Columbia river seemed averted today as the result of arbitration. At a conference yesterday the fish buyers agreed to pay seven and one-half cents a pound for large salmon, and to allow the fishermen to sell smaller fish to the highest bidder. The fishermen had demanded six and a half cents a pound for the smaller fish, but buyers wanted to pay only six cents. Unless their demands were complied with, the fishermen planned to strike in May.

January 27, 1916

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA. A PROCLAMATION.

WHEREAS, I have received from the Senate of the United States a Resolution, passed January 8, 1916, reading as follows:

"Whereas in the various countries now engaged in war there are now millions of Jews, the great majority of whom are destitute of food, shelter, and clothing; and

"Whereas millions of them have been driven from their homes without warning, deprived of an opportunity to make provision for their most elementary needs, causing starvation, disease and untold suffering; and

"Whereas the people of the United States of America have learned with horror of the terrible plight of millions of human beings and have most generously responded to the cry for help uttered with an appeal that has reached them; therefore be it ENACTED, That, in view of the misery, want, disease, and hardship which these nine millions of Jews are suffering, the President of the United States be respectfully asked to designate a day on which the citizens of this country may give expression to their sympathy by contributing to the funds now being raised for the relief of the Jews in the war zone;

and whereas, I feel confident that the people of the United States will be moved to aid the non-Christian people of a race which has given to the United States so many worthy citizens;

and, therefore, I, Woodrow Wilson, President of the United States, in compliance with the suggestion of the Senate thereof, do appoint and proclaim January 27, 1916, as a day upon which the people of the United States may make such contributions as they feel disposed

For the aid of the suffering Jewish people. Contributions may be addressed to the central fund drive, Washington, D. C., which will care for their proper distribution.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the United States to be affixed.

Done at the City of Washington this eleventh day of January, in the year of our Lord one thousand nine hundred and sixteen, and of the Independence of the United States the one hundred and fortieth.

CONTRIBUTORS TO BE GIVEN CERTIFICATES

Committee at Washington Acknowledges Its Obligations

Salem can always be depended upon to do its share of world charity. This spirit was shown when the Salem committee, H. Steinbock, chairman, Ernest Blue, D. Samuels and the Rev. A. A. Winter, solicited subscriptions early in the year for the relief of the Jewish war sufferers.

Those who have contributed will receive a certificate sent out from Washington to the chairman of each city, who will distribute them. The illustration showing the certificate is but one-third the size of those to be distributed.

The certificate is an acknowledgment that the money contributed by the citizens of Salem has been forwarded to Washington and sent at once to the suffering Jewish race in Russia and Poland.

The following Salem citizens have a right to a certificate and will receive one if they will call on H. Steinbock or Benjamin Brick, or send in their orders to H. Steinbock that the certificate may be mailed them:
